

Would you consider partnering with us for the 2018 Ride for Life?

Dear Friend,

The 4th Annual Ride for Life is set for Saturday June 9, 2018! We're very excited about this event which raises funds and awareness for the Pregnancy Clinic. This scenic motorcycle ride through Anne Arundel County will begin with breakfast provided by Chick Fil-a and coffee donated by Starbucks. Our closing program will feature a delicious lunch provided by The Port Public House.

We're asking for your support through a corporate sponsorship or the donation of a silent auction item. Your contributions will greatly add to the success of the Ride for Life this year.

The Pregnancy Clinic is a faith-based, medical non-profit, offering a comprehensive range of totally free services including pregnancy testing and counseling, resources, referrals and Life Sense educational classes. Our 3D/4D Ultrasound and our free prenatal vitamins get babies off to a healthy start. Established in 1982, the Pregnancy Clinic has served more than 31,000 women by providing them with prevention, intervention, and reconciliation services. In 2017 alone, nearly 400 women changed their minds from abortion and choose life for their babies.

We do not accept any government funding, rather relying entirely on donations from individuals, churches, foundations and businesses. As a 501 (c) 3 nonprofit, all gifts and donations are tax deductible. We hope you will consider a donation or a sponsorship for the Ride for Life to make the difference of a ***LIFE***time today.
